

American National Parks tour

(September 2019)

1) Yosemite National Park (2 days)

Highlights: Half Dome, Yosemite Falls, Bridalveil Falls, Inspiration Point, Glacier Point, El Capitan

Immerse yourself in the majestic beauty of Yosemite National Park on this 2-day overnight adventure. Enjoy a mix of guided activities and free time to explore the famous park on your own, and stay overnight either in the heart of Yosemite Valley. In this tour you will see the best natural attractions of the park, you can't miss giant sequoias!

The accommodation is situated in the heart of Yosemite Valley, it is called Yosemite Valley Lodge.

2) Sequoia National Park (1 day)

Highlights: Moro Rock, Giant Forest Museum, Crystal Cave, The General Sherman

You'll visit some of the most popular destinations and notice things you might otherwise have missed. You will see the largest living tree by volume, the General Sherman, hike the large granite dome of the park, Moro Rock, to the top with spectacular views and then you can visit the Giant Forest and Grant Grove.

3) Death Valley (half-a day)

Highlights: Dante's view, Badwater, Zabriskie Point, Sand dunes

In the summer months temperatures average over 38°C (often 49°C). Check out the charcoal kilns in the higher elevations and visit Father Crowleys Vista Point for a view of Rainbow Canyon and the Panamint Mountains. The military uses this area for their low-level flying training so you might get lucky and see a fighter jet ripping through the canyon. If you like geology you can't miss Ubehebe Crater, an amazing maar volcano

4) Grand Canyon (1 day)

Highlights: Yavapai Point, Glen Canyon, Lake Mead, Colorado river, Hoover Dam

Escape to the Grand Canyon for this full-day sightseeing adventure. Enjoy a scenic, 1-hour, round-trip flight from the West Rim of the Grand Canyon flying over the famous Hoover Dam and beautiful Lake Mead along the way. After you can take a float trip down the Colorado River, through Black Canyon with a boxed picnic lunch and an optional swim at a secluded beach.

5) Zion National Park (2 days)

Highlights: Zion Human History Museum, Angels landing, Zion Canyon scenic drive, Lower Emerald pool

Biking into Zion National Park is a great way to experience the park. Your guide will lead the way into the park and up the Scenic Drive in Zion Canyon. Your guide knows the best scenic stops and trail along the way.

There are also guided climbing trips that will give the opportunity to experience a new self-awareness. The accommodation is situated in Cliffrose Lodge.

6) Bryce Canyon (1 day)

Highlights: Bryce Point, Queen's garden trail, Natural bridge, Agua Canyon, Rainbow Point

Easy guided walks to reach viewpoints that showcase the canyon's horseshoe-shaped natural amphitheatres. View the main amphitheatre from three different levels at Inspiration Point. Then head to Sunrise Point to gaze at pink cliffs and ponderosa pines. Your guide can recommend trail hikes at any of these points, and you can have time on your own to explore before moving on to the next lookout.

7) Rocky Mountains (2 days)

Highlights: Trail Ridge road, Longs Peaks, Glacier Mills, Glacier Tyndall, Timberline Falls, Bear Lake, Glass Lake, Moraine Park Museum

Pass through the ski resort town of Winter Park and continue on to the charming town of Grand Lake, where you'll enjoy a café lunch on the shores of Colorado's deepest and largest natural lake.

You can also explore the natural beauty of Colorado's Front Range on a private hiking trip. Discover the awe-inspiring views, ancient rock formations, and forests of this beautiful region near the foothills of the Rocky Mountains. Your guide will customize the hike based on your experience level.

The park is home to an array of wildlife such as bighorn sheep, elk, moose and black bears, so be sure to keep your camera handy!

The accommodation is located at McGregor Mountain Lodge.
